**Subject:** Bristol Bay - Change of dates

Phil:

I sent the agenda out to the ORD team, along with the change of dates. I think the new dates will work better. I'll let you know.

Thanks for the revised Agenda - looks great!

Onward.

**Subject:** May 16?

Hi Jeff,  
Another reason came up to move the meeting back one week. Rick will be in Alaska the week of May 16. He asked that we move the meeting to that week so as to preserve travel funds. It has other benefits - leafout will be mostly complete so everything will be freshly green and morels will start to pop up around the end of the week. Not to mention that this is one of the few times to can come to Alaska when the trees are green but there are almost not mosquitos around.

I figure that if Rick is not worried about pushing things back another week, then neither will I.

What do you think?
